# DROP A DRINK SIZE

3 Pints of beer is like having 2 burgers  
to help you relax. It's equal to 546 calories.

Drinking fewer units is a great way to drop a shirt size,  
feel healthy and reduce the risk of serious problems  
like cancer and liver disease.

For help and advice on how to manage your  
drinking and lose weight visit [fewerunits.co.uk](http://fewerunits.co.uk)  
or download the **Fewer Units app**
